

We know how hard you will continue to work this tax season, so we've prepared this basket full of items we felt may make this time a little more manageable.

Advil - For the days the job can be a headache  
Binder clips - To hold it all together  
Booze - To sip and relax after your successful days  
Chocolate - Enjoy a PayDay or maybe even a Hundred Grand  
Coffee - CPAs + Coffee = Tax Returns (it's simple math)  
Erasers - To toss out when no mistakes are made  
Lifesavers - To keep from drowning  
Mint gum - To help stay cool and maintain that fresh look  
Mug - Of course, to accompany the beloved caffeine  
Note Pads - to create that much-needed to-do list  
Pencils - With uplifting messages to keep you calm  
Rubber band ball - To bounce from return to return
