

Hi Kristen,

Thanks for meeting with me! Please don't hesitate to reach out if you have questions.

We appreciate your trust and value your feedback. Please let me know if you've noticed any areas where we can improve!

If possible, would you mind doing me a huge favor and leaving a Google review about how we made you feel? I know how helpful a recent review can be when potential clients consider meeting with us.

I would be forever grateful. Thank you!

Also, if you are active on any of these social media platforms and wouldn't mind leaving us a review there too, that would be super helpful!
